Sizes	XS to 3XL
Minimum order	No minimum on stock colors
Shipping	Ships the same day when paid by 12 PM PT

FABRIC & CONSTRUCTION

Built from 8.8 oz (298 GSM) 70/30 cotton-poly fleece, the 8801 delivers the same weight and hand-feel as every piece in the Three Layer midweight fleece family. The regular-fit cut features a tapered leg and cuffed rib bottom that keeps the silhouette clean, while an elasticated waist with functional drawstring accommodates a wide size range. Off-seam pockets sit flat under print placements, and the two-side plus one-back pocket layout adds everyday functionality. The tear-away label makes private-label rebranding fast, ready for custom neck labels out of the carton. Washing and drying decorated fleece the right way extends garment life.

DECORATION

METHOD	RATING	NOTES
Screen Print	Excellent	Dense fleece holds plastisol and water-based on leg placements
DTG	Good	Cotton-forward blend absorbs ink. Use heavier passes on napped areas
Embroidery	Fair	Small logos. Firm cutaway stabilizer recommended on soft fleece
Heat Transfer	Good	HTV and printed transfers bond reliably on fleece surface
Sublimation	Limited	The 70/30 cotton-poly blend produces a muted vintage effect rather than full vibrancy.

SIZE CHART

inches, measured flat

SIZE	WAIST (AROUND)	OUTSEAM
XS	28″	37.5″
